

# one size DOES NOT fit all

## CORRECT FIT TECHNOLOGY

**One size does not fit all** and Xara leads the way in providing products that enhance performance through the use of Correct Fit Technology. Xara has spent years collecting data on the male and female soccer player as well as players at all ages. This information is used to ensure that the product we provide your club will support the commitment you have to on the field performance. In the products that Xara designs for the female athlete we make up to 11 performance enhancing adjustments in critical design areas. Look for the Correct Fit Technology logo throughout the book to identify products that have this important advantage.
