FOR IMMEDIATE RELEASE

Boston Breakers and Falmouth Youth Soccer Association Announce Partnership

Westwood, Mass. (April 29, 2010) – The Boston Breakers of Women’s Professional Soccer (WPS) reached an agreement with the Falmouth Youth Soccer Association of Falmouth, Maine, in which FYSA will become one of the 2010 Youth Soccer Partners of the Breakers, it was announced today.

In this role, FYSA becomes the first organization in Maine to become a Boston Breakers Youth Partner. As part of the partnership FYSA will receive season tickets to all 12 home games, discounted tickets for their group night on August 15, a player appearance in Falmouth, Maine on August 13, among other benefits.

“I’m excited to work with Falmouth Youth Soccer Association this spring,” said Account Executive Meighan Kelly. “Both FYSA and the Breakers will benefit from the partnership. It’s great to see the support for the Breakers extend throughout New England.”

Falmouth Youth Soccer Association is looking to expand its local soccer program this season and beyond, and the relationship with the Breakers will assist in building a strong soccer program in Maine.

“FYSA is excited to be the first club in Maine to participate in the Boston Breaker’s partnership program,” said FYSA President Colette Twigg. “This is a win-win situation for both organizations as our players will have a connection through this association and various events to a professional team in a sport they love as we show our support and commitment to the success of both the Boston Breakers and the WPS.”

All FYSA families are invited to attend the FYSA Night at the Breakers on August 15 as the Breakers take on 2009 WPS Champion Sky Blue FC at 6:00 p.m. As part of the partnership FYSA families are entitled to half-price group ticket prices. More information on purchasing tickets can be found at www.falmouthsoccer.org.

The Boston Breakers, one of eight WPS teams, will compete in the second season of Women’s Professional Soccer from April through September. The team will play its home matches at Harvard Stadium, and single-game, group and season tickets are now on sale for the 2010 season.
